Jennifer J. Quinn, Ed.D.

Superintendent of Schools

November 17, 2020

Dear Parent/Guardian,

In order for your child to return to school after an illness, they **MUST** have one of the following documents:

- Proof of a **rapid or PCR** negative COVID-19 test result
 - If you have received a negative rapid COVID-19 test but your healthcare provider has also sent you for a PCR COVID-19 test, you must remain home until the PCR test result has come back negative before returning to school.
- A healthcare provider note signed by an MD, NP or PA stating a diagnosis other than URI or Viral Gastroenteritis or that symptoms are due to a non COVID-19 related medical concern
- Quarantine for fourteen (14) days

Your child must be symptom free for a full 24 hours without the use of medications such as Tylenol or Motrin prior to returning to school.

All school-aged children in the household must also have a copy of the required documents to return to school.

Thank you for your continued cooperation regarding this matter.

Sincerely,

Joseph Coniglione
