Dear Resident:

I am writing to inform you that the Comsewogue School District has received a grant from New York State that will enable us to start a universal pre-k program for district residents. The program will be a half-day program beginning in September and will extend for the duration of the school year. Parents must provide their own transportation. This first year we have funding for approximately 55 students. We will be partnering with the Community Programs Center of Long Island Inc., DBA The Early Discoveries Center, located at 400 Sheep Pasture Road, Port Jefferson.

Since we anticipate more applicants than spaces available, we will be conducting a lottery to determine which students will be attending pre-k in September 2007. If you are interested and have a student who will be 4 years of age by December 31, 2007, please fill out the brief application on the reverse side of this letter, attach a copy of your child's birth certificate, and return the completed application to Dr. Joseph Rella at the District Office. The application must be received no later than August 1, 2007. The lottery will be conducted on Thursday, August 2, 2007 at 12:00 pm in the District Board Room at the Norwood Avenue School, 290 Norwood Avenue, Port Jefferson Station, NY. Successful applicants will be contacted and will then have to complete a registration form.

If you have any questions, please contact Dr. Joseph Rella at 474-8110.

Sincerely,

Shelley Saffer, Ed.D.
