

Thank  you

04/30/2023

Dear Comsewogue High School 10th Grade Business Department,

I wanted to take a moment to express my sincerest gratitude for the incredible project that you recently completed. Your monthlong initiative to collect non-perishable food donations from the local community for Agape Meals for Kids was a remarkable success, and I am in awe of the effort that you put forth to make it happen.

Thanks to your hard work, you were able to collect over 700 pounds of food for Agape! This is an incredible achievement, and one that will make a real difference in the lives of children who are living with food insecurity.

As you might already know, these are children who may otherwise go an entire weekend without a meal. And your commitment to helping these children is both inspiring, and a testament to the values that you hold as a department and as students.

I want you to know that your efforts have not gone unnoticed. The impact that you have made on our community will be felt for a long time to come, and I am grateful for the role that you have played in making it happen.

Thank you for all you've done, and for being a shining example of what it means to give back.

Sincerely,

A handwritten signature in black ink that reads "Irene Michalos".
