## Special Education Parent Teacher Association

Dear SEPTA Friends,

Welcome to the 2023-2024 school year! SEPTA is a group that educates, advocates, and supports families of all children with special needs. We are a district wide PTA. Our meetings address helpful topics and include guest speakers to discuss varied topics such as: understanding an IEP and CSE meetings, social skills, planning your child's future, homework help, stress management, behavior management tips and more. SEPTA meetings give you the opportunity to meet other individuals with similar concerns. Here we exchange ideas and socialize while striving to help our children to grow. Events we recently hosted: Homecoming Chill Zone, Jiu Jitsu class, holiday McDonald's Night, Egg Hunt, teacher wish lists, Senior scholarships, pop up sales and many, many lectures with more to come! Like us on Facebook and Instagram @Comsewoguesepta. And join Comsewogue Special Education Parent Support Page.

Meetings are LIVE at Terryville Road School at 7pm, dates listed below.

(Dates subject to change).
